RE: QUARTERLY REPORT FOR GAN NUMBER P425E202891

Dear Mr. Gaona:

As requested, we present to you the quarterly report of the CARES Act Funds for Students, awarded to our campus (University of Puerto Rico at Carolina) under the number P425E202891.

The University of Puerto Rico at Carolina disbursed the funds to all eligible students who completed the certification of need due to COVID-19. As of September 10, 2020, we have used \$1,773,600. The remaining balance of \$472,352 will be distributed among the students who received the first \$800.

We hope to make the payment of funds available to students during the second week of October. In this way, we will reach the goal of awarding all the allocated monies.

Also, we updated the information in our website to fully comply with the seven points of the disclosure regulation as recommended by the auditors of the University of Puerto Rico Central Administration.

Hope the information above is useful. Should you need any further information, please do not hesitate to contact me at jose.meza1@upr.edu.

Sincerely,

José I. Meza Pereira, Ph.D.
