Carolina, PR 00984-4800

Dear Dr. Orengo-Aviles:

At its session on May 18, 2017, the Executive Committee of the Middle States Commission on Higher Education acted:

To accept the Supplemental Information Report. To place the institution on probation because of insufficient evidence that the institution is currently in compliance with Requirements of Affiliation 3 (institution is operational, with students actively pursuing its degree programs) and 8 (documented financial resources, funding base, and plans for financial development adequate to support its educational purposes and programs and to assure financial stability), and with Standard 3 (Institutional Resources). To note that the institution remains accredited while on probation. To request a monitoring report, due September 1, 2017, documenting evidence that the institution has achieved and can sustain compliance with Requirements of Affiliation 3 and 8 and Standard 3, including but not limited to (1) the institution is operational, with students actively pursuing its degree programs (Requirement of Affiliation 3) and (2) the institution has documented financial resources, funding base, and plans for financial development adequate to support its educational purposes and programs and to assure financial stability (Requirement of Affiliation 8 and Standard 3). A small team visit will follow submission of the report. To direct a prompt liaison guidance consultation to discuss the Commission's expectations. To note that the progress report due October 1, 2017, will now be due April 1, 2018. To remind the institution of its obligation to inform the Commission about any and all significant developments relevant to this action, including developments relevant to Title IV program responsibilities. Upon reaffirmation of accreditation, the next evaluation visit is scheduled for 2020-2021.

This action is a non-compliance action and includes a request for a monitoring report and a visit. An explanation of this type of action is provided in the Commission's policy *Accreditation Actions*.

For more information on submitting a follow-up report, please see Commission guidelines *Follow-up Reports and Visits*. The institution is obligated to make a full and honest disclosure in its reports.

If the request for a follow-up report includes Standard 3, the Commission requires that you include in or submit with the report the following data for the three most recent years: Title IV cohort default rates; USDE Financial Responsibility Composite Scores; and the status with regard to Heightened Cash Monitoring with USDE.

If the request for a follow-up report includes Standard 14, the Commission requires that you include in or submit with the report the following data for the three most recent years: 100%, 150%, and 200% normal time to completion graduation rates. For graduate-only institutions, please provide appropriate data on student outcomes such as normal time to completion rates.

Enclosed is a copy of the institution's Statement of Accreditation Status (SAS) for your review. If any of the factual information is incorrect, please contact the Commission as soon as possible.

A Public Disclosure Statement (PDS) has also been developed, consistent with the Commission's policy on *Public Communication in the Accrediting Process*. The statement provides an explanation of the nature of the institutional accreditation action that has been taken by the Commission. The PDS will accompany the institution's SAS and will be made available on the Middle States Commission on Higher Education website. In accordance with federal regulation, both documents will be made available to the public. If any of the factual information in these documents is incorrect, please contact the Commission as soon as possible. Also in accordance with federal regulation, your institution is invited to submit an official statement. The statement may be linked to the PDS from your institution's website or the Commission may include a web reference to your institution's website.

In accordance with the policy *Advertising, Student Recruitment, and Representation of Accredited Status*, the accreditation status of the institution must be accurately represented. Please ensure that published references to your institution's candidate status or accredited status (catalog, other publications, web page) are accurate and include the full name, address, and telephone number of the accrediting agency, and the effective date (month and year) when status was granted. Candidate for Accreditation is a status with the Commission that indicates that an institution has achieved membership and is progressing toward, but is not assured of, accreditation.

Please be assured of the continuing interest of the Middle States Commission on Higher Education in the well-being of UPR - Carolina. If any further clarification is needed regarding the SAS or other items in this letter, please feel free to contact Dr. Heather F. Perfetti, Vice President.

Sincerely,
