General Information

We recently obtained the required authorization from the Office of the President of the University of Puerto Rico to use the Institutional Funds part of the CARES Act. We have complied with the requirement to publish on our website (<https://www.uprc.edu/>) the use of funds and the initial report. You may find this information at: <https://www.uprc.edu/wp-content/uploads/sites/20/2020/06/FIRST-REPORT-CARES-ACT-.pdf>

Students

As mentioned in the previous report, we had a budget of \$2,245,952 awarded directly to the students. All students that met the requirements of section 484 of the Higher Education Act, and completed the certification of financial need caused by Covid-19 and the suspension of presential (face to face) courses, received their payment.

At the moment, we are still evaluating individual cases in order to identify all eligible students. After every student receive the initial payment, the remaining balance will be equally distributed to all students that received the first disbursement.
